EXPERIENCE

Mika has wide practical expertise and experience in insolvency law cases and corporate and commercial transactions - especially mergers and acquisitions, usually with a cross-border element. He has been the trustee in many large bankruptcies and also acted as the administrator in corporate restructurings. He has advised clients in transactions and insolvency matters, represented clients in various litigation proceedings including civil law litigation, arbitration and criminal cases. In the past years he has worked with clients and parties from Finland, Russia, the US, China, France, Sweden, UK, Baltic countries and Nordic countries. Mika has been and currently serves as a member of board in companies in the field of technology and entertainment. The purpose of an attorney is to solve problems, win cases and enable clients to succeed in their business.
